

JACOB'S WELL

Sunday Paper

6 August 2017

Godflix: *Sing*

At the heart of the movie *Sing* is the idea of finding and following your passion. The problem for some of us is that that idea of finding our passion makes us either want to vomit or hyperventilate! Well, let's try not to do either of those and dive into a deeper idea of passion and how we are wired for this bigger vision that God sees in all of us.

What to expect today (it's pretty simple)

We're glad you're here. Have some coffee, find a chair.

Music—*sing along!*

Songs & Closing

Go and be Jacob's Well!

Also today...

We're glad you're here! Summer is a time for us to be community "all together." Be sure to check out the kids table! Jacob's Well is a welcoming place for kids and families to learn! Some kids need a little extra space - that's why **The Wiggle Room** is open for kids 6mo-preschool. Visit jacobs-well.net/tips for 6 helpful tips for being "all together."

Offering. Jacob's Well takes an offering because we believe in what God is doing among us and it takes money to do it. We are committed to being open and responsible with our shared resources. **Together our generosity can make amazing things happen—including inside us!** Thanks.

Coming Up and More...

Next Sunday: Godflix—*Arrival*

This is not your usual alien invasion movie! They typically take us down the road of what we fear in the shadows of the unknown. Instead *Arrival* takes us down the road of simultaneously discovering how much bigger existence is than we ever thought, and how close and connected we are to all things. Over all, *Arrival* gives us a chance to reflect on what it is like to arrive on the shore of a never before seen land, and how our preconceptions shape what we find there. See you August 13!

Whole brain learning...

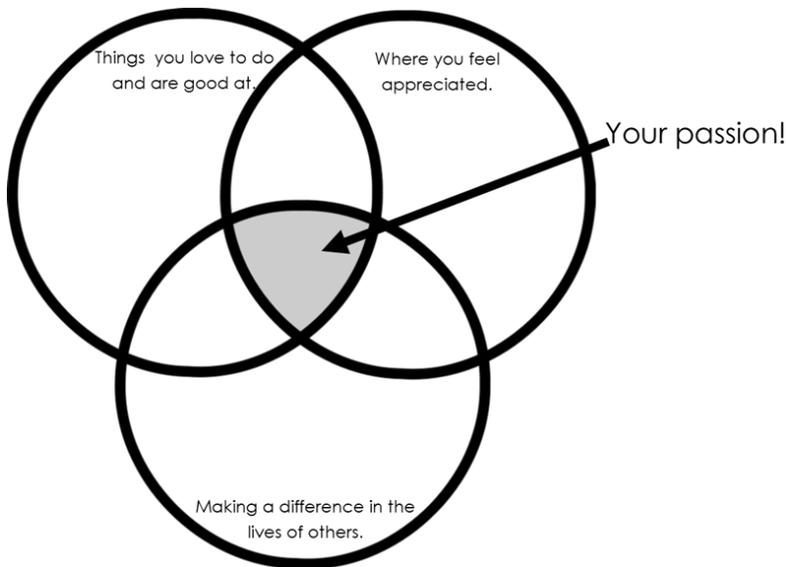

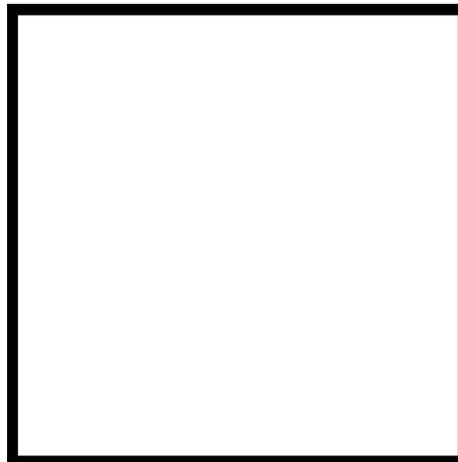

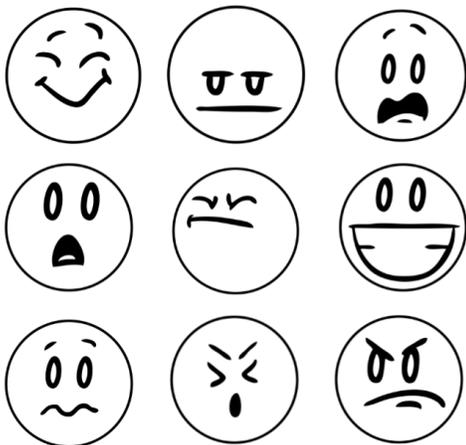

...engages the whole brain allowing us to remember, categorize, and synthesize information and ideas better, longer, and with more openness.

... "encourages" people to engage.

...acknowledges that everyone has ideas and something to contribute.

Sing teaches you about discovering your passion.

Passion is less about what we do, and more about the meaning behind it.

Homework practice - Share your circles of *what you love, how you feel appreciated, and where you are making a difference with family or a friend. Discover where your passions are showing up!*

If you are new, welcome!

Thanks for being Jacob's Well today. We'd love to meet you and share some chocolate.
